GEOLOGY & NATURE

SELF-GUIDED EXPLORATION TOURS

The massive stone bridge arch, the **LARGEST** marble cave entrance in the east, dominates this spectacular display of ancient Adirondack geology from rock over one billion years old. No reservations required. Take a walking stick, map, and camera and set out on a self-guided, above-ground, natural stone step nature trail and experience potholes, grottos, a gorge and mill site waterfalls. Descend into lighted surface caves with raging waterfalls or tranquil dark pools. See Adirondack memories display & free PBS video describing the area history & geology.

GUIDED ADVENTURE TOURS July & Aug Only
